

Andrew Glassett / Senior Product Designer

Fort Collins, CO / (917) 442-7363 / andrewglassett@gmail.com / linkedin.com/in/andrewglassett / glassett.co

SUMMARY

Senior product designer with 13+ years in UX and product design, leading end-to-end work on B2B SaaS, enterprise platforms, and e-commerce for Antech, Sony Music, Vimeo, Walmart, and Lego. Pairs user research and design systems with close product and engineering partnership to ship measurable results, including a 5-point NPS gain at Alteryx and a 30% error reduction at Sony Music. Currently bringing UX research and design-system strategy to Antech Diagnostics' veterinary platforms.

Tools: Figma, Claude, Lucidchart, Miro, Dovetail, Framer, HTML/CSS/JS

EXPERIENCE

Antech Diagnostics

Jul 2026 – Present

UX Designer / Loveland, CO

- Established a cross-product research plan covering PIMS ordering workflows, diagnostic results display standards, and concept testing, positioning UX research as part of platform discovery.
- Created a unified design system to executive leadership as the experience layer for LynX, backed by an ROI case built on industry benchmarks.
- Mapped platform architecture and user touchpoints with product and engineering, and built personas and a domain glossary to onboard future employees.

Tag1 Consulting / Glassett Consulting

Jul 2023 – Jul 2026

Principal UX Designer / Fort Collins, CO

Embedded design partner for development agencies, including Tag1 Consulting (Jan 2024 – present)

- Senior design lead embedded with Tag1 Consulting, a global Drupal agency, delivering product, UX/UI, and web design for clients including Walmart, Lego, Keurig, AFL-CIO, and APQC.
- Led customer research for Walmart and Lego, resulting in a 3% e-commerce conversion increase and a 25% boost in user engagement within 8 weeks.
- Supported new business through design scoping and estimation, and facilitated workshops that align cross-functional client teams.

Alteryx

Sep 2022 – Jun 2023

Senior Product Designer / Remote (Fort Collins, CO)

- Led design for B2B SaaS and data science products, balancing business objectives and user needs to drive a 5-point NPS increase in 3 months.
- Partnered with product and engineering on design system guidelines and tooling to create a more extensible brand and product.

- Facilitated design sprints and brainstorms for a cloud admin console, driving continuous improvement of the product.

Sony Music Entertainment

Apr 2019 – Jul 2022

Senior Product Designer / Lead, Finance, Accounting & Payments / Denver, CO

- Directed the modernization of a core B2B metadata platform, reducing errors by 30% over 6 months in a complex data environment.
- Developed and maintained the design system for a multi-product platform, increasing design consistency and efficiency by 10%.
- Created onboarding experiences for an entirely new product line, driving a significant increase in product adoption.

Angi (Angie's List / Handy)

May 2018 – Jan 2019

Senior Product Designer / New York, NY

- Led the creation and evolution of an enterprise-level design system, resulting in a 15% productivity gain.
- Managed and mentored a team of product and visual designers, led design reviews, and fostered collaboration across product, engineering, and growth.

Vimeo

May 2017 – Feb 2018

Senior Product Designer / New York, NY

- Designed cross-platform experiences (web, mobile, TV) for a global video platform, using data-driven design and A/B testing to drive a 3% increase in mobile conversions.
- Conducted user research, wireframing, and rapid prototyping with a cross-functional team to deliver high-quality designs.
